

# AFRICAN SWINE FEVER

African swine fever (ASF) is a **highly contagious** disease of domestic and wild pigs. It is not a danger to human health but it is devastating for farming economy. There is no vaccine against it.

Travelling within or outside a country?  
By car, bus, train, airplane, boat?

**Do not spread the disease.**

## Travellers

**Don't be the carrier of a deadly pig disease**

## YOU MUST TAKE PRECAUTIONS

**Do not carry pigs or pork products**  
If you do, declare them to the transport authorities

**Do not visit farms unless it is necessary**

**If you are in regular contact with domestic pigs, do not hunt wild pigs**
